NOTE: This ride is meant for the safe enjoyment of our participants. Every participant should train for the challenges presented by that rider's chosen route. Use of CPSC approved helmets is required. The California Vehicle Code must be followed, and courtesy to other riders and drivers is expected. Although these two routes are paved, except for one mile of gravel in the 100K ride--that is perfectly rideable, much of the traveling is on back roads that have undergone much spot patching, leaving irregularities and bumps. Potholes happen. Ride organizers and sponsors are not responsible for the condition of the pavement surface. Every rider should carry personal identification and spare tubes, a tire pump and a patch kit. Waivers must be signed IN PERSON on ride day.

Please make checks payable to: Feeney Park mail to:
